How your Retention Guarantee works:

① Phase I

You pay 50% of the project total at the start to diagnose turnover. In return, you get 12-24 data-driven prioritized recommendations with cost-benefit analysis and detailed action plans to reduce staff turnover.

② Phase II

If you accept Retensa's implementation plan, you don't pay one cent more unless we reduce your turnover. And you ONLY PAY as much as the % reduction you want.

WE STAND BY OUR RESULTS, SO YOU CAN TOO.

Want to reduce turnover by 40%?

If we reduce turnover by 40%, you pay the full remaining balance.
If we reduce turnover by 20%, you pay half. If we reduce it by 0%, you pay nothing.

Set Your Budget

If required, travel and project expenses are approved in advance, and reimbursed at cost, no surcharge.
